COMMUNITY POLICING REPORT

PART IV: NARRATIVE INTERPRETATION OF ABOVE STATISTICS

The following is provided to the Mayor and Council, on policing initiatives and general policing information. It is to be hand delivered to your community leaders. It is not a private document and can be distributed and displayed in public forums.

1. **Crime trends / Problems:** (Gangs, Drugs, Domestic Violence, Traffic etc.)
    - Turtleford cluster responded to 2081 calls for service in our detachment area during this last quarter, July 01-Sept 30, increase of over 700 calls, the attached numbers are some examples of occurrences we responded too.

    - As you can see with this quarter we have a variety of offences, there continues to be drug activity within our cluster/Gang activity has increased which has required a coordinated response to get accused in custody, large increases in mischiefs, Assaults, and thefts/copper in the area. Members will continue to focus on illegal drugs and gang activity and have planned events to target gang activity throughout the coming summer months. Detachment had 2 check stop initiatives this quarter targeting Impaired drivers, this initiative is ongoing, we also had 2 combined warrant roundup enforcement days, targeting wanted individuals in the area.

    - Traffic enforcement was steady this quarter, 786 occurrences this quarter resulting in 284 charges.

    - Members continue to focus on prolific offender curfew checks (persons on monitoring conditions) which is effective in crime reduction.

4. Other significant issues: (Infrastructure / Human Resources (including full HR contingent for Detachment)

- The Turtleford Detachment has a total of 13 RCMP members which includes 1 Staff Sergeant, 2 Corporals and 10 Constables. Two of these Constables are assigned to the TCFN. We currently have 2 members off on Maternity leave (Glaslyn/St Walburg), One Constable vacancy from the St. Walburg office(cadet inbound Oct 18) and One long-term Medical (St Walburg).

- Turtleford detachment currently has a DSA on leave for a year(Turtleford return Jan 27), so no normal operating hours for that office. St Walburg and Glaslyn continue as usual. Turtleford and Glaslyn DSA's were recently taken from part time to full time.

I thank you for taking the time to read this report and look forward to our continued work within your community/Rural Municipality. Please feel free to contact myself at any time should you have any questions or concerns, 306-845-4520.
